Home groups offer fellowship, support and encouragement through good and bad times.

It's a relaxed caring group where you can be yourself and grow in faith together.

It's a great blessing to get to know a small group of people really well and share our journeys of faith together. We have a lot of laughter but also some serious discussions, it's a safe place to share your questions.

Home groups are a great place to study the bible together and learn from one another.

If you are not currently in a home group but want to find out more, please join us to chat with group leaders and members in a relaxed informal setting .
